The Honorable Duncan Hunter
Chairman, Committee on Armed Services
United States House of Representatives
Washington DC 20515-6035

Dear Mr. Chairman

This is to notify you of a scope change to the Fiscal Year 2004 Add/Alter Minot Fitness Center, Minot Air Force Base, North Dakota.

The Fitness Center project is a FY04 Congressional Insert appropriated at \$9.5M. We plan to increase the addition to the facility and decrease the alteration while staying within the original authorized and appropriated programmed amount (PA). This scope change is required to provide more indoor space to support enhanced Air Force fitness standards at a location that experiences a harsh winter environment. Although the total project scope will increase from 7,790 SM to 9,105 SM (17%), the PA (\$9.5M) will remain unchanged. The new project scope is identified in the attached document.

A similar letter has also been sent to the Ranking Minority Member of your Committee.

Sincerely

A handwritten signature in dark ink, appearing to read "F. Kuhn", is positioned above the printed name.

FRED W. KUHN
